Persia says she's honored to appear in her favorite magazine. She has always been a great model and this time we thought her shoot was the perfect combination of sexy senior and lusty MILF.

Persia

She started out a little shy, but by the time her clothes were off and she had been licked a few times, Persia was a cum machine. And she didn't disappoint!

When she's not fucking on camera, she says she likes to fill her weekdays and weekends with pussy-stuffing cocks. And the bigger, the better. She says she has no preference to older or younger men as long as they have the man-meat and can keep up with her. Now, we think that may be a formidable task.

Dear 50+ magazine,

I've been sleeping with my 55 year old neighbor. This been going on for about two years now, her name is Pilar, she's good in bed and satisfies me to the bone. It started off one night when she allowed me in her room and I locked the door behind me. She had been wearing on opened nightgown with her big boobs exposed and only panties underneath. Ah, seduction!

As I talked to her, I placed my hands on her shoulders attempting to give her a massage. She let me put my hands on her body as I worked my way below, massaging her back then her waist. I gently caressed her full boobs and fondling her body. By then she became putty in my hands and her body was mine. She seduced me the entire night. I tongued her simultaneously as I had my hands all over her body. As I had her legs over my shoulders, I could hear bones crackling from her joints.

As I fucked her, I had her stretched out in the wishbone. The bed rocked back and forth from the pounding. Loud moanings were

*We received more than our usual number of letters about our **50+ #22** busty cover model, Ava Addams. Apparently she touched a nerve, or more than a few cocks and everyone wanted to know more about her. Bar none.*

50+: *Were you or have you ever modeled?*

Ava: *I modeled back in the eighties for a swimsuit company in Santa Monica doing their catalogs. My chest was too big, even then, for regular modeling, but just right for swimsuits. I liked the work and the people, but did not care for the competitiveness of the other models. So I dabbled in erotic photography for a while before getting into what I do now. And I just love it. Can't you tell!*

the only sounds in the house. She told me I had opened her pussy hole very deep but good. I must have knocked her socks off when I we had anal sex because she became very quiet for several moments. I put my dick in her ass... stuck it in hard. I stared at her, eyes rolling inside out, telling me to leave it in there because it felt so good. I popped her anal cherry and till this day we still have sex as manic as that first day.

Over time, she has loved our sex more and more. Still, everytime we have anal sex and I stick my dick up her ass, she's in paradise and lays there with her mouth agape and her eyes rolled back. She tends to doze off because my dick is inside her for hours. She tells me it feels so good that she can fall asleep during intercourse. We have the best sex possible, she is so addicted to me, and never wants me to go. I try not to go, but I always try to come.

– *Lefty, Canton*

50+ editor.

Last year my wife and I

were vacationing in Carmel. I'm a retiree and she just turned fifty. We were out to dinner with some old friends and after several bottles of red wine we were all feeling a little tipsy and a little too friendly. Louise and Randall were old friends of ours in Oakland who moved to Carmel a few years ago. We have visited them a couple times and have always had fun. But this time it was to be a little different.

We went back to their huge house to play cards as usual, but this time Randall suggests we play poker instead of bridge. We said fine and he broke out some more drinks with the cards. We played a couple hands and my wife Alexa, won both of them. Then Louise suggests we play strip poker. Alexa and I looked at each other and I said I was game if she was. She was a bit hesitant, but after winning the last two hands, she felt pretty damn confident.

I knew Randall had eyes for Alexa, and I kinda had a hard-on for years for Louise, so I was all for it. We are all products of the hippie culture of the sixties but had settled down into our comfy middle class lives. Now with little to hold us back, some of that old excitement was returning. Louise dealt

the first hand and Alexa won again. We all took off a small piece of clothing and had another round of drinks. Four more hands and we were all down to our civvies. I had on a T-shirt and boxers, Alexa was in her bra and panties, Randall was just in boxers and Louise was in a teddy.

It was now my deal. We were drinking and laughing as the bets were made. Randall won and I dropped my shirt, Alexa her top, and Louise stood up and started a little dance as she began to undo the laces on her teddy. All of a sudden Alexa got up and started to help her. She reached down between Louise's legs and undid the snaps. Then pulled the teddy up and off of Louise.

Throwing it over to me, I caught it and twirled it around, egging the girls on. As Randall and I watched, they started kissing each other and Louise reached around and undid Alexa's bra and then pulled down her panties, throwing them to Randall. She then gently pushed Alexa onto the table and grabbed her knees to spread them. She lowered her head into Alexa's crotch and began to lick her. All three of us watched as Louise licked and stuck her fingers inside my wife's wet pussy.

As I got up first and positioned myself behind Louise, I dropped my drawers and slipped my cock inside her as she continued to lick Alexa. Randall sauntered over beside Alexa and of-

fered his hard dick to her mouth. She obliged and grabbed his ass to pull him closer to her. Randall and I grabbed a couple of the wine glasses from the table and toasted each other over the girls. Louise then stood up and pulled me out. She seated herself next to Alexa on the poker table and motioned me to continue fucking her as she opened her legs and got into position for my cock. He takes advantage of the change and moves around to drop between Alexa's legs and now he begins to lick her. I watch as he sucked my wife and he watched as I fucked his.

All of a sudden Randall says he doesn't feel so good. We all ask if he's okay; he says 'yes' and sits down. Alexa

tells him to get up and lay down on the table. He does and she proceeds to rub him back to hard-on status. Her mouth worked hard on his cock and he's finally hard again. I'm still fucking Louise and she begins to moan that she's cumming. I pump harder and she bucks and shakes the table in orgasm. Randall seems to have made a miraculous recovery and Alexa brings him to climax taking his jizz in her mouth and then spitting it into a wine glass.

It seems that both of our friends have cum, so Alexa and I are left to finish off ourselves, but she says she's still real horny and wants to finish back in the bedroom. She grabs me by my stiffie and pulls me to the bed. She sits on the bed and pulls my cock into her mouth. She works it like a pro and then leans back and guides it into her pussy. I can't resist banging her as hard as I can and we end up fucking our heads off.

In the morning we called our friends to see how they were. Louise says they are both fine and had a great time last night. We agreed and said that we should do it again next time we come to Carmel. They said the invitation is always open. I think we're going to plan another trip there soon.

— Kyle, Oakland

To the Editor at 50+,

I'm retired and work part-time in a bank. Ever since I had my first experience with an older female at 20 years of age, it was some best sex have had.

One night I was cleaning the office as always when I hear someone downstairs. I went down to see what was going on. To my surprise, there was the manager, Katie lying on the couch – naked – sliding a dildo in and out of pussy. Katie is a good looking woman – early fifties, nice 36 DD tits, a little chunky.

She was oblivious to me watching her. I stood there for several minutes, my cock stiffening. Katie finally noticed me, said why don't I come in. I didn't think twice, went over to her. She sat up and undid

my pants and slid them down taking my cock in her mouth, sucking on it making harder.

Katie laid back on the couch legs wide open, and in a second I was naked and between her legs and slid my cock into her until all of it was up her hot wet pussy. I plunged in and out of her, banging my balls against her soft ass cheeks. Katie wrapped her legs around me and was bucking against me as she was cumming. I was banging her hard and fast until I shot my load of juice up her fucking soaking wet pussy until I went limp. After catching our breath, we both got dressed, she went home, and I finished cleaning the office.

Ah, but my letter doesn't end there. All went on as usual for about a week.

Katie was again working late one evening and she was wondering if I eat pussy as good as I fuck. She wanted to find out. I said, well there is only one way to find out. Katie did not mince words. She said she'd be off tomorrow, come over to her house after 11am. She gave me her address, and the next morning I was with her in the bedroom, both of us naked.

I went down and ate pussy. It was nice and plump and pink. I slid my tongue in her pussy and Katie was moaning and pushing it hard against my mouth. I then put her legs over my shoulders and shoved my cock deep into her, fucking her, pounding her, her tits bouncing. Her pussy tightened around my cock as she was cumming again and she said 'don't stop.' I didn't until I exploded and filled her pussy with my cum and then went limp. Katie still wanted to fuck so she sucked my cock hard again, straddled me and we fucked until dinner time.

— Julio, Austin

Tia keeps no secrets. When asked what fuck she remembers most, without hesitation she says it's a big-haired, rock star from the eighties that she did under the stage during his band's show in Los Angeles. She said that was hot, hot, hot. The band was playing an instrumental set and she

was under the stage with me. The whole arena hummed and vibrated from the noise that she came in five minutes... even before the singer did!

Apparently back in those days, Tia didn't hesitate in fucking a rock cock or two. She confesses to being a groupie and following bands from town to town. If you were horny, there was always sex available. With the band, with the roadies, and even with other groupies, she said. She tried them all and often found herself as the center of attention of more than one band-mate. Three-ways were commonplace, she told us.

I wanted my shoot to be done in the nude. Flesh is the color of love, of lust, and of hotness. I loved the simple set because the focus would be on me. I tried to suppress my animalistic tendencies, but by the end of the shoot it was hard to do. I just had to let it go and let the minx come out in me.

When these two came together for the shoot, it was a non-stop lickfest. And we do mean non-stop. They do not know the meaning of the word 'CUT!' After yelling 'Cut' a time or two the director finally gave up and kept the cameras running throughout the entire scene. When it was done, he had to put the cameras, and himself, on ice!

And the scene is now free and online for your pleasure. Download it and yell 'CUT' and see if they do. We think not.

how many of your friends would you let screw your wife? it's adult playtime

FROM THE HOT TUB TO THE BEDROOM, LUST HAS NO BOUNDARIES

Drew and my wife Ginnie, broke into the beer he bought the day before. He said his feet were quite sore and would love it if he could go into the whirlpool and relax. Ginnie and I joined him and put on some background music. Ginnie sat between Drew and me in the spa. Drew and I had shorts on and Ginnie was in a swimsuit. We all kicked back talking and sipping brews. Ginnie put her feet up on the edge of the pool and asked us to massage her feet. Drew rubbed and had been moving up her leg rapidly while I was still rubbing her sole and heel. She put her head back with her eyes closed as his hands were up to her thigh.

That got my attention and I figured it was time to help me introduce him to my wife more intimately. I grabbed his hand and guided it over her swimsuit-covered pussy. I moved the spandex fabric aside and inserted my finger between her labia and over her clit. I looked over to my friend who was smiling ear to ear. Having finished our drinks, I decided to go into the house to grab another round of beers for everyone.

Upon returning, it seemed as if Drew had gotten better acquainted with my wife. I saw her swimsuit laying on

the ground next to the whirlpool and she was sitting naked beside him laughing and talking while rubbing his feet! I suggested he join me as we each suckled at her breasts. Ginnie reached down and helped us each remove our swim trunks and tossed them out of the spa. It was an absolutely erotic scene that was consented to by all of us. It seemed as if Ginnie was thoroughly enjoying being fondled by two men. I enjoyed seeing my best friend appreciate my wife, and he was enjoying have a female who desired his touch and attention. I watched his hand slide back into the depths of her labia to stroke her clit. We caressed her and she returned the favor to both of us. The outside was starting to get as hot as the bubbly water so she thought we would all be more comfortable inside the

house, maybe go up to the bedroom?

We got out and dried off and made a naked parade into the house and up the stairs. As she lay on the bed, Drew and I followed and gave her oral attention between sips of our drinks. She told Drew to put on a condom that we have in the drawer. Well, it wasn't a minute later that his covered cock entered my wife. It was the first time she had allowed another man inside her. He complained that he couldn't feel any-

Ginnie recognized the naughty act being committed and leaned up to kiss me hard on my lips as she got even wetter, dripping her cum-filled snatch into Drew's mouth.

thing, but I knew that was a lie. Ginnie was giving me a handjob as I watched Drew thrust into Ginnie. She asked me how I felt having my best friend fucking her. I told her it was hot. Drew and I high-fived one another as he continued his assault on her pussy.

Sadly for Ginnie, it was almost over too soon as Drew emptied his semen into the tip of the condom as he held himself inside my slut wife. We switched places and I plowed into her pussy as she removed his condom and sucked his dribbling cock. What a horny sight it was to look at her lips locked around the head of his cock, knowing her tongue was lapping up Drew's cum. I realized she was probably not going to remember what she was doing, so I got up just long enough to grab the camcorder and began recording our actions. As it turned out, Drew didn't remember much, either.

After about ten minutes of hardcore fucking, I blasted my load into her vagina. Ginnie swung over and got on her hands and knees, telling Drew to get behind her, but she told him to put on a new condom. He started whining again, but she insisted. I laid on the bed and she sucked my dick as he tried to ram his semi-erect penis back into the abused hole of my spouse. His attempts at getting back inside were getting weak as it was late, everyone was tired and drunk, and Ginnie has a high ass due to her long legs, so Drew would only be able to penetrate her if he was on a booster seat. Ginnie recognized the naughty act being committed and leaned up to kiss me hard on my lips as she got even wetter, dripping her cum-filled snatch into Drew's mouth.

After reaching yet another orgasm induced by the tongue lashing given by her new lover, Ginnie flipped back onto her back. Immediately, Drew jumped back between her legs and penetrated her pussy, but the condom he had come off, so he was doing her bareback without her approval. She was so exhausted that she didn't notice as his naked prick popped in-

side her vaginal canal. I continued to record the action as his hairy balls slapped against her anus. Ginnie asked Drew, "Am I bad?"

She was in total ecstasy as I smacked her buttock that was exposed as Drew was holding her ankles up by his neck. Drew pulled out and spewed a massive amount of semen onto the crotch and belly of Ginnie. She rubbed her hand through it and jammed it into her pussy. I jumped back in between her legs and imagined that I was helping to push his cum deeper inside. His cum was smeared on her belly and shaved pussy as I slammed hard into her. Within a few minutes, I did as Drew filmed the climax.

It was early morning we finally crashed. The next morning would be very interesting. I got up and made

breakfast. Drew was very quiet around me, possibly ashamed that he took advantage of the situation. I re-assured him that it was something we all wanted, we are all adults, and I wouldn't ever tell his wife. That eased his mind. He thought I would be mad at him, but once he discovered that he had helped fulfill one of my fantasies and made Ginnie feel good, he was more relaxed. The next night was without incident as we all still tired and hung over from the night before, but the following night, he wanted to

I slid down flat on the bed, lifting her up onto my face and burying it deep into her dripping and slimy wet pussy.

go back into the spa to relax his leg muscles from the hike he and I took earlier that day. He wasn't used to getting that level of exercise. He got more than expected when Ginnie joined us, this time none of us wore swimsuits as we entered the water.

The beers emptied and I went back into the kitchen to get a few more. It came as no shock, though, when I came back out to see my wife mounted on Drew in the spa. She was grinding her pussy onto his stiff cock. She leaned into him allowing him to suck her nipples as she braced herself. Within seconds, he was blasting his cum into her pussy, this time without any attempt to pull out. I was happy to see them both so ecstatic as they had a proper fuck. I was looking forward to feeling my cock enter her pussy. Ginnie was absolutely loving being a cum slut. I knew this was something she never would have done with

As Ginnie continued to suck on my cock slowly as she grabbed my hand and slid it down over her pussy. My fingers began to rub over her moist lips, pushing against them as I slid them up and down. Drew's eyes watching us as she stroked and sucked my cock slowly, covering it with her spit. I slid down flat on the bed, lifting her up onto my face and burying it deep into her dripping and slimy wet pussy. Ginnie shouted as I lifted her on top of me and pushed my tongue deep and hard into her pussy as I felt her hands move back down to cock. My tongue working slowly at first, sliding in and out against her pussy lips, till I found the clit. I began to flick my tongue against it. Ginnie leaned forward and moved her body against my tongue as she stroked my cock, keeping it wet and hard. My hands grabbed her ass as I licked her pussy up and down, sucking hard on her clit. My hand smacked her ass hard, grabbing it as I continued on assault on her dripping pussy. She came all over my mouth and finished me off with a slippery hand job that was second to none!

Drew's week ended and when we dropped him off at the airport, it was rather awkward because Ginnie didn't know whether to just give him a hug or a loving kiss. My best friend and I have shared many things together over the past few years, and I think it doesn't get much more "sharing" than to share a wife. He was not looking forward to returning to his own wife who neglects and uses him, which is why Ginnie said she wanted to treat him to a little fun. He said he'd be anxiously waiting for his next visit. In fact, he said if he wasn't married, he'd be moving here.

someone else. I laughed out loud at Drew, realizing how quickly he shoots his load.

Ginnie looked at me as she slowly rolled her tongue up and down my long shaft, covering it with her saliva. She teased my cock head a little by flicking her tongue up and down against it. She then moves her mouth over the head and slowly pushes my cock deep down her mouth and throat, making her gag a little before sliding it out. I moan as one hand massages her breasts and the other rests on her head. Drew watched as her saliva dripped from her mouth and covered my cock and balls.

I told him I didn't think we could share her forever. Ginnie and I have been having a greater sex life since he left. She tells me that she thinks about him and wants us to give her the double penetration I had promised her a long time ago. Maybe next time, I told her.

I've finished my story and am going to put the computer away because I hear her coming up the stairs. It's time for a little massage to get us in the mood and then hours of beautiful married bliss.
